

STARTUP MATCHING

The Startup Logistics Radar matches young companies with the more than 500 members of the Logistics Initiative Hamburg as well as companies from related sectors (trade, industry, automotive). Selected start-ups have the opportunity to pitch four times a year in front of decision-makers from the logistics industry and convince directly in a 1:1 discussion.

To participate, start-ups only have to fill out the following questionnaire and provide a pitch deck. This service is free of charge for young companies. Logistik-Initiative Hamburg reserves the right to decide on participation.

Please fill in completely:

Company Name:

Division:

Title:

First Name:

Last Name:

Street/ No.:

Post Code:

City:

Phone:

Mail:

1. Describe your venture/startup/ product in one sentence

2. Please provide a detailed (technical) description of your venture/ startup/ product in five to ten sentences.

3. Please send your pitch deck to jr@hamburg-logistik.net

Next Steps

After evaluating the details of the startups, we will present them to potential customers in short profiles. If interested, the young companies will be invited to one (or more) of the four matching events (per year). Please write to jr@hamburg-logistik.net (+49 40 22701936) in case of any questions.
